24<sup>th</sup> February 2021

Dear parents and carers,

Firstly, I would like to begin by thanking you for your continued support throughout these challenging times. This has been a particularly difficult year for us all, and we would like to take this opportunity to express our gratitude for your patience. At times, for us all, it felt as though we would never reach this point!

As we start to look forwards to a return to the setting, I wish to share with you the news of our long awaited extension to our services.

As many of you may already know, over the last few weeks our WAC Club building has been undergoing extensive building and refurbishment works. These works will enable us to provide a wider range of services to the school community, as well as the wider local community. These services will include our already well established Wraparound Care facility, a day care service for children aged 2+ and 3+, and an eagerly anticipated Holiday Club!\*

Work on site is scheduled to be completed in March and **BEST Nursery & Extended Services (Langford)** will be opening its doors on **Tuesday 13<sup>th</sup> April 2021**.

BEST Nursery & Extended Services (Langford) will be opening as an Outstanding setting, carrying forward our current Ofsted rating, which was awarded in 2014. We have been undertaking Early Years profiling and supporting children in the EYFS alongside the school since we opened our Wraparound Care Club. We pride ourselves in our delivery of Outstanding care and provision; with expert practitioners implementing high quality care, and development and learning opportunities for our children.

This excellence will carry forward into our newly extended services which will be led by highly qualified and experienced individuals, encompassing the implementation of the Early Years Foundation Stage, Playwork, and School Readiness.

We are now able to accept applications for spaces at our new nursery. These will be allocated on a first come, first served basis. Once the sessions are fully booked, applications will be placed on a waiting list, whereby you will be contacted when a space for your child becomes available.

If you would like to make an application for a nursery/childcare space, please contact Rachel on 01462 815637 or email [rtaylor@bestacademies.org.uk](mailto:rtaylor@bestacademies.org.uk)

A brochure is available for perusal at your request.

If you have any further queries, please do not hesitate to contact us.

Kind regards,

*R Taylor*

Rachel Taylor
